EXCLUSIVE AGENT NOTICE

TO WHOM IT MAY CONCERN

This letter confirms that LESEDI NUCLEAR SERVICES has been appointed as the official and exclusive agent in South Africa for CASTLET LIMITED (the OEM), effective from January 2025.

As the locally authorised reseller, LESEDI will supply, distribute and support all CASTLET's Electrical, Control & Instrumentation equipment, including:

- ESP Power Supplies and related spare parts and services
- Transformer Rectifier Units and related spare parts and services
- MCS1 to MCS3 Conversion Controllers
- MCS2 to MCS3 Conversion Controllers
- Motor Control Centres
- PLC Control Panels
- Containerised Switchrooms
- Control User Interface
- CanOpener
- High Current DC Power Supplies

LESEDI is committed to providing reliable and competent support for the South African market on behalf of the OEM and will gladly handle all relevant project- and parts enquiries from our Gauteng office located in 262 Rose Ave, Doringkloof, Centurion, 0157.

For any specific or general enquiries, please contact Mr Rohan Joubert on rohan.joubert@lesedins.co.za, alternatively on +27 12 003 3842

We look forward to being of service.

Yours sincerely,

KOBUS GRIESEL
Managing Executive: Industrial Division
